### Principal's Report

### Topics of Discussion

- Fifth Grade Clapout – Photo booth can be made by parent. Box in PTSO storage for clapout
- Kickball Game May 18
- Staff appreciation – snacks, neck coolers, staff lunch, desserts, gift cards
- Community Builders – Jeremiah's. Going back to standing in line and paying, rather than order ahead? Nice to order online once and have it covered for the rest of the weeks. Logistically more difficult when

changes came up later. Handing out to each classroom was more difficult as well. Perhaps only offer 2 flavor options. Need more volunteers if we do class deliveries.

- School Cents – we need to register now for next year. Hope Kopp.
